Parts of Each Lesson

Small Group – This is the time to get to know the 4-8 kids in your group. There is lots of time for relationship building and discussion that will help your kids internalize the main teaching each week.

Worship – Songs get kids moving and instill Biblical truths they will remember for a lifetime!

Word Up! – Each week there will be one phrase that relates to the main teaching. Whenever a leader says **Word Up!** the students all stand and say the phrase.

Object Lesson or Activity – This will grab the attention of the kids and help them relate to and remember the main teaching.

Memory Verse – Every other week there will be a new verse for the kids to memorize. A memory verse token can be handed out on these weeks so the kids can study at home. The gospel is also usually presented at this time in the club.

Bible Lesson – Every other week there is a Bible Lesson. The gospel will be shared throughout the lesson, showing God's love, the child's problem of sin, and the solution of Jesus. A Quiet Time Guide can be handed out on these weeks for the kids to continue learning at home.

Invitation – The opportunity for the child to make a decision to trust Jesus is given each week, usually after the Bible Lesson or the Memory Verse. Be sure to provide a volunteer to talk with children who respond, individually or in a small group. A training video on How to Guide a Child to Trust Jesus is available on the CEF Colorado YouTube page.

Missions Story – Every other week kids will hear a part of Gladys Aylward's amazing missionary story. Each section ends on a cliff hanger that will get the kids excited to hear more.

Review Game or Activity – Kids will have time to play group or team games related to the teaching.

Dismissal – Kids end in small group, and have time to connect with their leader, get their Memory Verse Token (on Memory Verse weeks), or Quiet Time Guide (on Bible Lesson weeks).
