CHRISTIAN  
YOUTH IN  
ACTION

# BEST SUMMER EVER

CYIA (Christian Youth in Action) is a worldwide movement that exists to equip the next generation to make an eternal impact for God. Each year, we gather students across Colorado to stretch their faith, build new friendships, and learn how to bring the Good News of Jesus to the world.

CYIA begins with a training camp experience where students will learn skills to share the gospel with children all while having a ton of fun! After training, students will go out in teams to lead Adventure Clubs: three-day programs complete with high-energy games, Bible lessons, songs, and a missionary story. CYIA offers students the opportunity to step out in faith as they share the hope and love of Jesus to kids across Colorado.
