Train to be a Missionary

Students will attend a week-long training camp where they will engage in intensive training that will equip them to teach, lead, and run an Adventure Club.

Dates: June 10-16

**Location: YMCA of the Rockies
Estes Park**

Cost: \$600

Students must be at least 13 years old to participate. The \$600 cost for the summer covers all food, lodging, and supplies for camp and clubs. CEF Colorado will work alongside students to raise this entire cost through support letters to friends and family.

After training camp, students are sent out in teams to lead Adventure Clubs. Adventure Clubs are much like "VBS on-the-road." Students will pick 2-3 weeks in the summer to lead these clubs, and the clubs run from Tuesday through Thursday each week.

Adventure Club Weeks:

June 25-27

July 9-11

July 16-18
