## EVERY KID

With over one million children throughout our state, we will not rest until **every kid** is given an opportunity to respond to the greatest news in history. Through much prayer and planning, we have a clear direction for how we can change the spiritual landscape of Colorado forever.

## EVERY CORNER

We have organized CEF Colorado into eight local chapters that will have their own staff and volunteer teams to reach the kids right in their communities. With this model, we will be able to have a personal presence in **every corner** of our state.
