**CHANGING  
ETERNITY  
ONE CHILD  
AT A TIME**

## ONE CHILD AT A TIME

The greatest mission field on planet earth is children. When you reach a child, you are setting that boy or girl on a trajectory that will transform their life forever. With over 1 million children across Colorado, our best hope for making a lasting Kingdom impact is to reach the children in our communities. Together we can change Colorado and eternity one child at a time.

## CEF SNAPSHOT

CEF Colorado provides training, resources and programming opportunities for individuals, small groups and churches to partner with their local schools, reach families in their communities, and share the love of Jesus with the next generation. We help you increase your ability to build relationships with the people in your neighborhoods who are not connected to a church. With the right support, you can transform your community.

# LAUNCHOUT

## GO TO THE KIDS

Many people today are hesitant to attend a church and need a first step to help them in starting their spiritual journey. CEF will help you engage families in your area through the schools making it easier to form relationships within your community. You will be provided with legal guidance, insurance, supplies and other resources to reach kids and build a lasting relationship with the schools. Our LaunchOut Program will walk you through the entire process from start to finish!

## GET INVOLVED

### GIVE

CEF is supported by the generous donations of people who see the power of reaching kids. When we change the life of a child, we change generations, legacies and eternities forever. You can make tax-deductible donations to CEF Colorado and can even donate towards your specific region.
